1. Why do you want to serve on the Hyrum City Council?

Ive been a resident of Hyrum for over 1/2 Century and have seen the changes to the city over the years. I've seen the waste water treatment along with the secondary water system be implemented within the city. going from no traffic lights to a couple. I would like to add some value back to the great city I've grown up and love to live in and if my kids decided to come back to live that they would be able to, along with the west side of Hyrum a voice.

2. What do you hope to accomplish as a City Council Member?

The opportunity to shape the city's future and help with being fiscal responsible with tax payer funds.

3. What is your vision for Hyrum City, and what role will you play in realizing that vision?

Is to focus on preserving its rich rural heritage and enchancing improved infrastructure and public safety.

4. If you could change one thing in the city, what would it be?

Enhancing basic services like Electric, waste management and Secondary water.

5. What is your understanding of the city budget?

I have not spent any time on the city budget, but I do believe I can understand it in a short amount of time studying it.

6. Have you been following the City Council decisions for the past year? What do you believe they have done well and what could they do better?

I have been on a limited basis, making it accessible on youtube is a possitive change anlong with the higher of a new city manager.

7. Have you previously served on a governing board of any type or as a leader in any organization? If so, please list your role and the number of years you served.

I have served on the Cache Valley Home Builders board 2004 -2013
Utah Home Builders Association Board 2005 -2013

8. Please tell us about any other activities, specialized skills, knowledge, or professional experience that would contribute to your effectiveness in serving on the City Council.

I have worked with many builders and developers over the years and understanding along with doing my own personal development with the city, has given me a much better understanding of what challenges of any type of construction.

9. If you could change one thing in our development code, what would it be and why?

While the city is trying to maintain a small town feel, it does create some challenges as how does the city manage the increasing pressures of high density. One possible solutions is to encourage growth with character with some type of blend within our neighborhoods

10. What do you believe are the three greatest strengths of Hyrum City?

To my knowledge the city has no current debt and it has been managed by our previous majors and council members along with city staff.,
Secondary water system is available to most all the residents.
Quality of Life and the safety we all feel
