Mayors Message – Water is a valuable resource. It is important that we are mindful of how we use it.

Utah is one of the driest states in the nation, consistently landing in the top five. As a result, our water resources are critical to conserve, especially amid climate change, persistent drought and population growth. In a recent city water report I learned something that has brought me more awareness of our water usage.

Hyrum has 3,347 culinary water connections. 1.2 billion gallons were treated and used within a 12-month time period. This is water used for household needs such as washing laundry, bathing, cooking, cleaning, flushing the toilet, and some use it to water their landscaping. Hyrum has 2,712 pressurized irrigation connections. 1.9 billion gallons were used within a 6-month time period to water landscaping. More pressurized irrigation water is used in 6-months with fewer connections than culinary water in 12-months with more connections. Studies show that half of Utahns are overwatering their yards. 60% of a family's annual use is being used on landscape watering while 40% is used inside our homes.

There are many ways we can decrease our water usage. I encourage you to check www.slowtheflow.com for ways to conserve water. You will find ideas for landscaping, waterwise plants, irrigation resources as well as decreasing indoor usage. It is important that each of us do our part to conserve water, even during good water years.

Sincerely – Mayor Stephanie Miller

Candy Cabin Store – The candy cabin store located just west of the Hyrum Library will be open June 2nd through August 7th for the summer on Mondays, Tuesdays, and Thursdays from 10:00 a.m. to 1:00 p.m.

Fire Department Open House – Come meet the firefighters that serve Hyrum, Nibley & Millville, tour the fire station and see our fire trucks – including our NEW ladder truck! Saturday, June 7th, 9:00 a.m. -12:00 p.m. Fun activities for everyone: try on turnout gear, spray a fire hose, sit in a fire truck. Bring your camera!

Tune In To Meetings – Did you know you can tune to 94.9 FM KVVJ and listen to Hyrum City Council Meetings at 6:30 p.m. on the 1st & 3rd Thursdays of the month, and the Planning Commission Meetings at 6:30 p.m. on the 2nd Thursday of each month? This is a great way to stay informed on topics discussed at these meetings if you are unable to attend.

Save The Date – The Hyrum City Christmas Celebration will be held Saturday, December 6th.

We are excited to announce the addition of a new display for this coming celebration. In addition to decorated Christmas trees & gingerbread houses, we are happy to add Christmas quilts. Quilts should have a Christmas, or Christmas season theme and be smaller lap quilts or display quilts to accommodate hanging and display at the Elite Hall.

The public will vote for their favorite quilts; however, Christmas quilt participants do not need to be Hyrum City residents. If you know of quilters, please share this exciting news with them. We look forward to this opportunity to display these amazing talents in our community.

It's not too early to start planning your Christmas tree or gingerbread house for this year's celebration. We will be contacting those who signed up last year to help with this year's celebration in the next couple of months. Watch for entry signup information in future newsletters and on social media platforms. Contact Craig Rasmussen at (435) 232-7265 or by email at craig.rasmussen@hyrumcity.gov with questions.
