**Mayors Message** – Hyrum City's Sewer Department operates a wastewater collection system and mechanical treatment plant that serves over 2,700 homes and businesses.

The plant processes up to two million gallons per day. It functions with technology called membrane bio-reactor. The effluent waters meet or exceed water quality standards established by state and federal requirements and is now pumped into the pressurized irrigation system during the irrigating months.

Upgrades are being made to help the plant process more wastewater for future growth in the city.

Our Sewer Department is staffed by four full time employees. I appreciate their knowledge and dedication to their jobs!

Sincerely,  
Mayor Stephanie Miller

**Business Licenses** – All current business licenses need to be renewed. If renewal is not made by January 31<sup>st</sup> a late fee will be assessed. If you are starting a new business, please come into the Hyrum City Office and pick up an application. There is a \$10 application fee plus the following: home occupation business \$20; and commercial business \$75. If you have any questions, please contact the city office.

**Hyrum City Royalty Pageant** – The 2019 Hyrum City Royalty Pageant will be held on Saturday, January 26<sup>th</sup> at 6:00 p.m. in the Civic Center. All applications are due by 5:00 p.m. on Tuesday, January 8<sup>th</sup>. We encourage all eligible to take advantage of this opportunity.

## Hyrum City Sewer Department

Left to Right: Chris Crockett, Jeff Jorgensen, Kevin Maughan and Tom Broadbent.

**Winter Parking Restrictions** – Parking is not allowed on city streets or within ten feet of roadway pavement in any municipal right-of-way between the hours of 12:00 midnight and 8:00 a.m. unless such vehicle is in a driveway approach or otherwise parked behind the curb where curb exists. This law allows for snow removal and is in effect between November 1<sup>st</sup> and April 1<sup>st</sup>, even when there is no snow.

**Hyrum City Ski Night** – Wednesday, January 2<sup>nd</sup> 5:00 p.m. – 9:00 p.m. at Beaver Mountain. Ski & snowboard rental packages will be available at the Beaver Mountain Rental Shop for \$12. Performance packages are \$20 and a helmet rental is \$8. Please call the city office and let us know how many will be attending. The resort needs to know how many to staff. Bring your friends.

Beginner lessons are offered to those who have never skied or snowboarded. Individuals who would like lessons are required to register by noon the day preceding the ski night by calling, 435-946-3610, ext. 1. The fee for lessons when prepaid is \$12. Skiers must be at least 7 years old and snowboarders must be 9 years old to participate in lessons.

**Indoor Walking** - Start the New Year off getting healthy. Spend some time walking or jogging in the Elite Hall. The Elite Hall will be open to the public Monday thru Friday mornings from 7:00 to 11:00 a.m. for walkers and joggers.

**Dog Licenses** – Any dog(s) four (4) months or older is required to be licensed with Hyrum City. Dogs are required to be licensed even if they stay inside your home or never leave your yard. The license fees are as follows:

Neutered/Spayed dogs - \$12

Male/Female dogs - \$22

A veterinarian certificate is required to verify rabies vaccination and the dog being neutered or spayed. All dogs must be licensed by Thursday, February 28<sup>th</sup>. After February 28<sup>th</sup> a \$5 late fee will be assessed in addition to the regular license fee. Owners will be issued a citation for failure to have his/her dog properly licensed. Also, please remember that City Ordinance permits a maximum of **two dogs per household**.

**Snow Removal Policy – Snow removal from driveway and sidewalks:**

Section 12.04.010 of the Hyrum City Code requires property owners or occupants to remove snow from sidewalks abutting their properties within a “reasonable time” after the snow stops falling—the code stipulates 9 a.m. for snow accumulating during the night. This is especially critical for sidewalks used by school children and other pedestrians.

Section 10.20.095 prohibits the practice of depositing, blowing, or pushing snow removed from parking lots, driveways, or sidewalks onto the roadway.

This includes pushing it across roadways to neighboring park strips, borrow pits, or vacant properties in such manner as to leave a residue or otherwise increase the amount of snow on the roadway.

We ask that you place the snow on your side of the property line behind the sidewalks, allowing us to push the snow from the roads onto the park strips or borrow pits.

**Priorities for snow removal:** Snow removal priority is based upon the amount of traffic and the number of homes, businesses, and schools serviced by a particular road. Please keep in mind that the length and intensity of the storm influences plow routes and frequency of plowing.

Major storms require us to remain on primary roadways until the storm subsides.

**Garbage cans in the road:** We also ask that you put your garbage and recycle cans out the morning of collection day and remove them as soon as possible following the collection. These containers do not need to be placed on the asphalt portion of the roadway but rather set back several feet from the asphalt to reduce chances of damage by plows and flying snow.

**Be aware of our equipment:** A loaded snowplow weighs as much as 14 tons. The drivers need room to stop, especially while plowing. Even if you have the right-of-way, let the plow come to a stop before pulling out in front of it. We also ask that you remain more than 50 feet away from the plows so your vehicle is not damaged by flying snow or ice removal materials.

**Senior Center News** – ALL seniors are invited to join us at the Hyrum Senior Center located at 675 East Main, Hyrum.
