Mayors Message – We have many new people that have moved into our city, and with the projected growth, we will have many more. Hyrum is a wonderful place to live. We have great parks, an amazing library and museum, wonderful schools, a senior center, The Family Place, Hyrum Reservoir, Hardware Ranch, trails, city celebrations and canyon properties. Most importantly we have great people who live here.

I am often asked by other community leaders how the city is able to have things we have and my reply is always, "It's because of our citizens."

They see an opportunity or need in the community and come to the city with their ideas. They often offer to volunteer in the project and raise or donate money to make it happen.

I encourage you to get to know your new neighbors and make them feel welcome. Let them know about the great things that Hyrum has to offer. Hyrum is a great place to live. It's an honor for me to serve the citizens of Hyrum.

Sincerely,

Mayor Stephanie Miller

New Pickleball Courts – We are excited to announce the opening of new pickleball courts located at Blacksmith Park (approx. 160 South 1300 East). Pickleball is the most exciting sport sweeping the country. Part tennis, part badminton, but loads of fun. This racket sport, is great for racket sport enthusiasts, but limits the amount of required mobility to play the game. Great for all ages, from children to seniors. This is a great way to stay active and in shape. Very easy to learn and safe to play.

Troop 47 – Are you interested in a character building program for your boys? Do you have some free time and would like to volunteer? Do you have hobbies or special skills you would like to share as a Merit Badge Counselor? Do you have camping equipment or Scout Uniforms you would like to donate?

Contact Troop 47 at TTroop47@gmail.com The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law.
