Mayors Message – April is National Volunteer Month. Volunteerism improves lives and strengthens communities. The actions of one individual or group of individuals can have a positive effect on a community.

Hyrum is fortunate to have citizens who volunteer. Many help with: city celebrations, volunteer fire department, library, senior center, museum, planning commission, youth council, EMT's, pageant, schools, recreation programs, church groups, Boy & Girl Clubs, Arborist, county fair booth, building parks, planting city flower beds, watering trees, landscaping, picking up garbage, city GIS system, food pantry, The Family Place, and many, many more.

I would like to honor the many people who dedicate themselves to serving our community through volunteering. You demonstrate commitment, dedication, and patriotism by your willingness to serve and we thank you!!

Sincerely,
Mayor Stephanie Miller
