Mayors Message – Due to numerous calls, Hyrum City would like to inform all residents on door to door solicitation laws in Hyrum.

Hyrum City does allow solicitors to come to residential homes, if they have a permit from Hyrum City. If a solicitor comes to your door you will know they have obtained a permit from Hyrum City to do so, if they are wearing a clip on photo identification badge with Hyrum City's name and logo on it. Hyrum City requires a background check on all solicitors before a license is issued, also they are required to wear the identification badge at all times. If a solicitor comes to your home and is not wearing a Hyrum City Solicitor Badge, please contact the Cache County Sheriff's Office at 753-7555.

Those exempt from this law are persons who have been invited to a residence, persons disseminating information for, against, or in conjunction with any religious belief, or political position, or persons representing a charitable organization.

Sincerely,
Mayor Stephanie Miller

Hyrum History Book – Stop by the City Office to purchase your copy of the new Hyrum History Book available for \$38 each. We are super excited to finally have a record of the history of Hyrum from the 1970's to today. Special thanks to those who served on the committee or provided information to make this book possible.

Home Energy Savings Program – The Home Energy Savings Program is available to Hyrum City electric customers who are participating UAMPS energy partners through Hyrum City. Home Energy Savings offers cash incentives to customers who purchase energy efficient appliances and lighting fixtures from participating retailers.

Why buy energy efficient appliances? Get cash back when you purchase a qualifying clothes washer, refrigerator, dishwasher, room A/C unit, water heater, or lighting fixtures. Plus you'll save money on your energy bill year after year, and help the environment!

Ensure your eligibility by checking www.smartenergy.uamps.com or call 1-888-365-1558. Applications will be handled on a first-come, first-served basis until program funds are depleted. Applications are available at the Hyrum City Office.

Water Meters – Water meters are now being read monthly. Please make sure that your meter lid is uncovered and free from grass, dirt, bushes, etc. This allows our meter reader access to your meter to get an accurate reading. Thanks for your help.

Special thanks to our Youth Council Advisors also: Mayor Stephanie Miller, Elise Haslam, Bart Baird and Lori Anderson.

Burn Permits – Open burn permits will be available beginning March 30th until May 30th. To obtain a permit visit www.airquality.utah.gov (under quick links, click open burn permit application) or call 800-458-0145.

Pressurized Irrigation – The irrigation companies are busy cleaning the garbage and debris out of the ditches and canals to provide us with irrigation water. Look for irrigation water to arrive between the 1st and 15th of May.

Stormwater – Squash a litterbug! Keep the lid closed on dumpsters and recycling bins to prevent unintentional litter from hitting the streets. Schedule a parking lot/neighborhood litter clean-up, especially in the early spring and late fall. To encourage cigarette butts from being thrown out car windows or dropped on the ground, which is littering, plain and simple, provide staff and customers with a clearly marked receptacle.
