The ordinance codified in Title 17, including zoning maps, may be amended from time to time by the City Council after ten days notice and public hearing. A public hearing must be held by the Planning Commission. All proposed amendments shall first be recommended by the Planning Commission or shall be submitted to the Planning Commission for its recommendation which shall be returned to the City Council for its consideration within thirty days. Submissions to each of these agencies shall be made a minimum of three weeks prior to the next regularly scheduled meetings. Failure of the Planning Commission to submit its recommendation within the prescribed time shall be deemed approval by such commission of the proposed change or amendment. The City Council may overrule the Planning Commission's recommendations by a majority vote of its members. Zoning changes initiated by residents in the area proposed for rezoning must be supported by a petition signed by seventy-five percent of the property owners in the area proposed for change. Said petition shall include information as to why the resident(s) want(s) to change the zoning ordinance or the zoning map and clearly identify the differences between the current code or zone and the proposed code or zone, especially the differences between permitted uses, permitted accessory uses, and conditional uses. Rezoning applications are discretionary legislative decisions.
