

LIVE IN HYRUM. STAY IN HYRUM. PLAY IN HYRUM.

Exciting things are ahead!

In March 2025, Hyrum Recreation took a bold step forward with the city's hire of its first full-time recreation professional. In just six months, we've launched programs for youth and adults—including Adult Softball, Pickleball, Youth Flag Football, Movies in the Park, Hyrum Explorers, the Community Yard Sale, Youth Basketball, and more. Building on everything Hyrum City already offers, we're creating even more ways to live, stay, and play in Hyrum.
